SUMMARY

Enthusiastic Full Stack Developer with hands-on experience in developing and deploying web applications and academic projects. Proficient in utilizing technologies such as Next.js, Django, and Flask to build responsive and dynamic web solutions. Demonstrated expertise in implementing machine learning algorithms and integrating cloud-based deployment tools like Render, Vercel, and Avian. Eager to leverage my skills and experience to contribute to innovative projects and drive success in a challenging development role.

WORK EXPERIENCE

Full-Stack Developer(Intern)
Edit Enterprises Pvt. Ltd.

May, 2024 - July, 2024
